

I ove godine GeCCo traži motivirane sudionike!

Šesto uzastopno izdanje međunarodnog online natjecanja GeCCo poziva sve zainteresirane mlade projektne menadžere željne usavršavanja, kao i one manje upoznate s pojmom projektog menadžmenta (ali voljne učenja!) da se i ove godine prijave za sudjelovanje.

The poster features a background image of a person's hands typing on a laptop keyboard. At the top right, there are logos for IPMA Young Crew and IPMA International Project Management Association. The main title 'WHAT IS GeCCo' is in a blue box, with 'GeCCo' in a large font and 'Global eCollaboration Competition' below it. To the right, a blue box says 'QUICK AND EASY GUIDE'. Below this, there are several key features listed with icons: 'International Project management competition' (globe icon), 'Work across time zones' (clock icon), 'Case study' (document icon), 'Keynote speakers' (person icon), 'Intercultural communication' (speech bubble icon), '24 hours to go' (hourglass icon), and 'Virtual environment' (computer monitor icon). At the bottom right, there are two social media links: 'become.pm/gecco' and 'fb.com/yc.gecco'.

WHAT IS GeCCo
Global eCollaboration Competition

QUICK AND EASY GUIDE

- International Project management competition**
GeCCo is the 24h worldwide event, where people from all over the world in teams are solving a project management case study. The Jury then evaluate the work and decide, which is the best (and the winning) team
- Work across time zones**
GeCCo participants get to work across different time zones, as the team members come from different countries
- Case study**
Teams will be given a project management case study that has to be solved
- Keynote speakers**
Participants will be able to watch and listen to selected keynote speakers during the competition
- Intercultural communication**
Participants get the opportunity to excel their intercultural communication skills as they have team members from any of the countries participating in GeCCo
- 24 hours to go**
The case study has to be solved within 24 hours
- Virtual environment**
All stages of competition are done by using modern e-communication means

GeCCo (Global eCollaboration Competition) je edukativno online natjecanje u projektom menadžmentu čiji je cilj stvoriti povezanost između lokalnih Young Crew udruga. Osim što je posebnost ovog natjecanja njegov virtualni karakter, zanimljiv je i zbog svoje strukture.

The flowchart is titled 'HOW to PARTICIPATE' and shows a five-step process. Step 1: 'CONTACT your Local Organizer (LO)' with a person icon. Step 2: 'APPLY for GeCCo' with a document icon. Step 3: 'Wait until you are put in an international team' with a group of people icon. Step 4: 'PRE-CASE study' with a thumbs up icon. Step 5: 'GECCO STARTS' with a red background and a clock icon. Each step has a brief description below it.

HOW to PARTICIPATE

- CONTACT your Local Organizer (LO)**
LO will provide you with the rules and application form
- APPLY for GeCCo**
There is a limit of 6 participants per country, so you might go through a selection process in your country
- Wait until you are put in an international team**
The organizers of GeCCo will assemble international teams and provide you with the necessary info
- PRE-CASE study**
Your team has to do some team building tasks
- GECCO STARTS**
Your team has 24 hours to solve a PM case study

Naime, nakon što se zainteresirani sudionici prijave i budu među 6 predstavnika koje će predstavljati našu zemlju, raspoređuje ih se u internacionalne timove koji tjedan dana prije live eventa u pre-case study-u razrađuju projekt na zadanu temu. Nakon što su osmislili projekt, sudionici ga predstavljaju na live online eventu koji se održava 11. i 12. studenog i traje 24 sata bez prestanka. Osim fizičke odvojenosti članova tima, potrebno je savladati moguću lošu internetsku vezu, komunikaciju na stranom jeziku i pokoju neprospavanu noć. U pauzama od natjecanja, osigurali smo predavanja iskusnih govornika za naše vrijedne sudionike, kojih će ove godine biti čak 100, a dolazit će iz 20 različitih zemalja.

Prijaviti se mogu svi pojedinci od 18. do 35. Godine života i to putem Google forme za sudjelovanje: <http://bit.ly/2yHwI5g>

Poželjno je da se prijavite prije 21. listopada, jer tada zatvaramo prijave, biramo kandidate, te ih raspoređujemo u timove.

Budite i Vi dio ove lijepe priče, priuštite si nezaboravno iskustvo, te ponosno predstavljajte naš Young Crew.

Zahvaljujemo Vam se na pažnji i s nestrpljenjem očekujemo vaše prijave!
